

# Footpath Secretary Report

*For Wellington Walkers Are Welcome AGM on Sunday 14<sup>th</sup> July 2019*

This year has been significantly disrupted due to ill-health but a key achievements have been:-

## **Wellington and the Wrekin Forest Walks Maps**

Wellington Town Council have agreed to update the existing maps to reflect the new route of the Shropshire Way and to incorporate the "Northern Walks" we developed under the Wellington 360. Design work is well underway and (potentially) the finished guides could be available this year.

## **Wellington Station**

Our "Wellington for Walking" signs have recently been erected on both sides of the station. Work on the establishment of the "Secret Garden" is ongoing.

## **Litter Picking**

The Shropshire Way from Spring Hill to Church Street has been litter picked weekly throughout the year.
